# SOCIAL MEDIA GUIDE 2019

One of the best ways to spread the word about your House to House fundraiser is by sharing it with friends and family on social media.

Sharing your reasons for taking part in the event and your progress along your journey is a great way to get the interest of others.

Below are a few general pointers, plus some tips and examples specific to Facebook, Instagram, and Twitter.

- Share your fundraiser directly to your own social pages using the share buttons on your fundraising page
- Tag [@rmhcnewzealand](#) in your posts
- Tag friends and family who have donated with a heartfelt 'thank you'
- Join the conversation with [#HouseToHouse](#) and [#KeepingFamiliesClose](#)
- Mix it up by sharing updates on your progress, photos of your favourite routes, inspiring messages, and positive stories
