Dear Parents and Carers,

Following the Government announcement this evening the school is currently awaiting the guidance to support the school and families with this new lock down.

If you are able to look after your children at home tomorrow please do so.

The school will open for Keyworker families and Vulnerable pupils tomorrow and we will update you all as soon as the guidance has been received. I know this will cause some families difficulties and for this I am truly sorry.

We are able to support families who are critical workers and priority will be given to those families where both parents are key workers, or a lone parent is a key worker, and no other childcare is available.

Government Guidance on Critical Workers and Vulnerable Children

All other pupils should remain at home.

Remote learning

Initially please access the two-day emergency learning packs sent home last term.

Following this we will be switching to remote learning using Office 365 and Tapestry.

We would be grateful if you could email the fam@holycrossrcpri.iow.sch.uk address to confirm that you require a key worker / vulnerable child place.

Best wishes

Timothy Eccles
