Over the past year, we've received **over 30,000 calls** to our emergency housing helpline in Scotland.

ONLINE HOUSING SUPPORT

Over the past year, **nearly 10,000 conversations** were had with people through our webchat service.

FACE-TO-FACE SUPPORT

Over the past year, **over 2,500 households** came to our hubs for face-to-face advice and support.

FIGHTING FOR HOUSING RIGHTS

Last year, our petition to strengthen people's housing rights got **over 10,000 signatures** – and was presented to Scotland's Housing Minister, Kevin Stewart.

BUILDING SOCIAL HOUSING

Right now, we're planning our housing manifesto for the 2021 Scottish Parliament elections. We'll demand that those in power invest in the social homes people really need.
