## Overview

### Healthcare information

This website may provide information about medical conditions and their treatment. GSK makes no representation that material in the site is appropriate or available for use outside of the territory of the intended audience. Those who choose to access this site from other locations do so on their own initiative and are responsible for compliance with local laws, if and to the extent that local laws are applicable. In addition, nothing on this website should be construed as providing any kind of medical advice or recommendation, and should not be relied on as the basis for any decision or action. Specific medical advice should always be sought from a qualified medical practitioner

GSK uses reasonable efforts to update this website, but some information may become out of date over time. Except as specifically stated, GSK makes no claims or warranties as to the accuracy, completeness or use of the information contained on this website.

### Hypertext links

This website may link you to other websites on the Internet, including the websites for GSK affiliates in other countries. Please ensure that you read the legal and privacy policy sections of any other GSK or third-party site to which you link. GSK is not responsible for, does not recommend and accepts no liability for any information or opinion contained in any third-party website.

### Intellectual Property

All intellectual property rights in the material on this site are owned by the GSK group of companies, or they have been granted permission to use such material except where specifically stated otherwise. Reproduction of part or all of the contents in any form is prohibited other than in accordance with the following permissions.

You may read, view, print, download and copy the material on this website for your personal and non-commercial use, but only if you acknowledge the website as the source of the material and include the copyright statement "© GSK group of companies, all rights reserved". Unless specifically indicated, no other use of the material is permitted.

Nothing contained in this website should be construed as conferring any licence or right under any intellectual property (including patents, trade marks and copyright) of the GSK group of companies or any third party.

GSK claims no ownership in, nor any affiliation with, any third-party trademarks appearing on this website. Such third-party trademarks are used only to identify the products and services of their respective owners, and no sponsorship or endorsement on the part of GSK should be inferred from the use of these marks.

### Use of Information

Communications from users or other material sent through the internet, posted on a GSK website or otherwise (other than those containing personal and/or health-related information, which fall within GSK's Privacy Policy) are deemed to be non-confidential and non-proprietary, and GSK shall have no obligation of any kind with respect to such information. GSK shall be free to use this information for any purpose it deems appropriate, including reproduction and publication, and may use any ideas, concepts, know-how or techniques contained in such information for any purpose whatsoever, including commercial purposes, without paying users for the right to do so.

## Privacy

GSK respects the privacy of its website visitors. Please refer to GSK's Privacy Policy for an explanation of your rights and responsibilities with respect to the information that is disclosed on this website.

## Not an Invitation to Deal

*Nothing on this website constitutes an invitation or offer to invest or deal in the securities or ADRs of GSK. In particular, actual results and developments may be materially different from any forecast, opinion or expectation expressed on this website, and the past performance of the price of securities must not be relied on as a guide to their future performance.*
