

CONQUER THE CLIMB 2020

Terms and Conditions

Latest Version: 29/05/2020

Thank you very much for choosing to take on this challenge for The Brain Tumour Charity (The Charity).

The following terms and conditions have been written to make clear the support that The Charity give to all Conquer the Climb 2020 (The Event) participants. They also lay out how to ensure your safety throughout the challenge and your obligations by signing up the challenge.

By taking part in the Conquer the Climb 2020 Challenge I agree that:

Health & Safety

- This challenge can be completed at home on a stair case or outside. In all instances I will follow the most up to date **Government Guidelines** regarding social distancing.
- Climbing a large amount of stairs could result in injury/extra strain that I am not used to. I will therefore make sure to be sensible when completing The Event.
- If feeling unwell, I will not continue The Event.
- Although a virtual event, The Event does involve physical exertion. For this reason I confirm I am satisfied that I am sufficiently healthy, fit and well prepared to take on The Event, and that there are no current or historical medical conditions which would, should, or might, reasonably preclude my participation.
- If necessary, in relation to the above, I confirm I have consulted my doctor before registering for The Event. If my medical condition significantly changes prior to The Event, I accept and agree that I will not take part in The Event unless I am well enough to do so.
- Each participant is responsible for their own health/wellbeing and that of any dependents should they be taking part with you.
- Any minors (under 16) taking part must be adequately supervised for safety during The Event.
- I will not participate whilst under the influence of alcohol or non-prescription drugs.
- The Charity is grateful for all support in this challenge, but cannot take responsibility for any injury, losses or damage caused or sustained as a result of The Event, The Charity cannot be held responsible for any liability arising from The Event.

The Challenge

- The Event runs from Saturday 20 June – Saturday 15 August 2020.
- There's no registration fee to take part in the event, however when signing up we suggest a £10 self-donation to kick start the fundraising on your own JustGiving page.
- Participants registering don't choose their peak at registration (Snowdon, the Matterhorn, Everest) – this is simply a personal decision taken by each entrant. Once entered into the event participants can change/increase their target peak if they wish.
- By signing up for The Event, each participant will set up a JustGiving online fundraising page.
- The Event is a fundraising virtual challenge, raising funds for The Brain Tumour Charity only.
- There is a £100 fundraising pledge for The Event and I will actively share my fundraising page to raise as much fundraising/donations as possible.
- The Event may be completed by all ages, but any minors (under 16) must be supervised by a responsible adult.

- If there is a team taking part together, all members of this team are aware and agree to, the terms laid out in this document.
- The Charity will acknowledge my participation in The Event and communicate the final fundraising total raised to all participants.
