Wonderbly

BE
NEW,
IT'S
GAY,
JOHN
P.F.

Meet my voice.

Have I ever
described to you,

The splendid things
that it can do?

It can be

FLOOD

It can be

OUTSIDE

It can be

SOFT

An illustration of two black shoes with laces, positioned below the word 'SOFT'. The shoes are simple in design, with visible laces and a heel. They are placed on a dark orange ground line.

It can be

STRONG

It can go

LOW

and very

HIGH

But once it got
quite lost. Oh my!

How did my voice get lost? Let's see.

Now, are you sitting comfortably?
